UNITY

FOR A STRONGER COMMUNITY

AS COMMUNITY MEMBERS living in the northwestern Catskills—including representatives of local institutions, business owners, and people from a wide range of backgrounds and lived experiences—we stand against racism, sexism, ableism, and other forms of harm perpetrated on any member of our community on the basis of their identity. We recognize our common humanity and embrace the differences that make us stronger, more vibrant, and culturally rich.

This coalition believes in community-building rooted in mutual respect, equity, and empathy.

We strongly condemn the violent acts of white supremacy and xenophobia taking place across the country targeting Black, Indigenous, Latinx, Asian American, LGBTQ+, Muslim, Jewish, and other marginalized peoples. We share a commitment to unity and safety.

We invite everyone to join us in standing together against hate, division, and violence. Let us see and hear each other, watch out for each other, and provide mutual aid so we can all thrive. *Together we are a strong community—one that strives for equity and justice.*

Rep. Delgado Announces Nearly \$80 Million for Local Colleges and Students

U.S. Representative Antonio Delgado (NY-19) announced nearly \$80 million in emergency funding for colleges and students in New York's 19th Congressional District under the American Rescue Plan. The funding will help local institutions cope with the severe financial fallout from the COVID-19 pandemic and continue serving their students safely. At least half of the funding each institution receives will be distributed in the form of emergency cash assistance grants to students who are facing hunger, homelessness, and other hardship. The American Rescue Plan provides \$36 billion for nearly 3,500 public and private, nonprofit colleges and universities nationwide. "This is a historic investment that will help students stay on track and complete their education," said Rep. Delgado. "I am

proud to deliver nearly \$80 billion to our local colleges to respond to and recover from the COVID-19 pandemic. This funding will support public and private 4-year institutions, community colleges, and trade schools -- ensuring all students have access to critical assistance." The colleges in New York's 19th Congressional District receiving funding under the American Rescue Plan are:

- Bard College: \$5,260,251
- SUNY College of Technology-Delhi: \$7,947,720
- SUNY College of Ag & Tech at Cobleskill: \$7,563,474
- Culinary Institute of America: \$7,962,312
- SUNY Ulster/Ulster County Community College: \$5,170,379
- SUNY New Paltz: \$19,050,550
- SUNY Oneonta: \$15,798,999
- Hartwick College: \$3,226,821
- Columbia - Greene Community College: \$3,226,821
- Sullivan County Community College/SUNY Sul-

livan: \$3,560,721

- Otsego Northern Catskills BOCES/Otsego Delaware Schoharie Greene BOCES: \$137,794
- Dutchess BOCES School of Practical Nursing: \$667,109
- Ulster County BOCES School of Practical Nursing: \$215,663

Students should contact their institutions for more information about how they can apply for an emergency grant. The American Rescue Plan also includes nearly \$3 billion in additional funding -- which will be distributed at a later date -- for Historically Black Colleges and Universities (HBCUs), Tribal Colleges and Universities (TCUs), other Minority-Serving Institutions, and other under-resourced institutions.

Hanford Mills Museum Opens for the Season

Hanford Mills Museum opened for the season on May 15.

Guided tours will feature demonstrations in the water-powered sawmill, gristmill, and woodworking shop, which is marking its 175th anniversary in 2021. Tours are offered Wednesday through Sunday. Due to COVID-19, tours will be limited to one party and require advance reservation by calling 607-278-5744.

"Since we just have one party per tour, our interpreters can really spend time with visitors and cater to their interests, be it technology, sustainability, Catskills history, entrepreneurship, or water power," says Liz Callahan, executive director of Hanford Mills Museum. "And, since we're eager to safely welcome visitors to the Museum, even if you call after hours and leave a message, you will be called back quickly, and we'll get your tour scheduled for you."

Tours last about one and a half hours and are offered at 10 a.m., 11:30 a.m., 1:30 p.m., and 3 p.m. She noted that people can also reserve a tour online at hanfordmills.org, and a staff member will call back to confirm. Visitors can also tour the Hanford House, outbuildings and view exhibits and a video. Hanford Mills also has picnic tables and a shop stocked with Mill-made items, books, and local crafts.

Beginning on Father's Day Weekend, Hanford Mills will offer activity kits with several projects that families can do together. Families visiting the Museum can also take part in an activity that explores how the water cycle works.

"We look forward to welcoming visitors back to Hanford Mills Museum,"

says Callahan. "It's a big year for Hanford Mills as we celebrate 175 years of Catskills ingenuity."

She said that the first mill on the site was built by Jonathan Parris in 1846. The site then had several owners until it was purchased in 1860 by David Josiah Hanford. Hanford, and then his sons, ran the Mill for 85 years, expanding the Mill complex and adding new machinery, product lines, and a variety of power generation methods, including waterwheels, water turbines, and a steam power plant.

Because of limitations on gatherings, the Independence Day Celebration on July 4 will be cancelled. "We are looking at what we can offer virtually and may offer features of the Independence Day Celebration later in the year," says Callahan. "We are planning to have the Dan Rion Antique Engine Jamboree on Sept. 11 and the Woodsmen's Festival on Oct. 2, as long as state health regulations say it is safe to do so."

Staff and visitors must wear masks on Museum grounds. "The call-ahead reservation system worked well last season, and people appreciated the safety protocols we have in place," says Callahan.

Children 12 and under receive free admission. Admission for adults and teens is \$9; senior and AAA member admission is \$7. First responders and members of the military receive half-price admission. Museum members and residents who live in ZIP codes (13757, 13739, 13786, 13750, and 13806) neighboring Hanford Mills receive free admission. Hanford Mills participates in the nationwide Museums for All program. Anyone with an EBT card receives free admission. See hanfordmills.org for additional discounts.

The Arrival of Spring and Summer Means the Arrival of Young Wildlife – “If You Care, Leave them There”

As spring moves into full bloom, you may encounter young or newborn wild animals. While a baby animal might appear abandoned, it is much more likely that a parent is in the area or the individual is an independent juvenile. Please do not touch a wild baby animal – call your regional DEC office or a licensed wildlife rehabilitator if you are concerned for its well-being.

Many wildlife parents leave their young in a safe place, where they instinctively remain quiet and still to avoid detection by predators. The parents return periodically (sometimes only a few times within 24

hours) to feed the young. Fawns, cottontail rabbits, fledgling birds are the most common species that are mistakenly “rescued” by people thinking that the animals have been abandoned. Unfortunately this leads to the death of many young animals, as wildlife is difficult to raise in captivity. It is also illegal to rehabilitate or keep wildlife in captivity without a license.

If you come across a young, wild animal on its own, the best thing to do is leave it where it is and observe from a distance. The parents may not approach their young if they sense you in the vicinity. For more guidance, you can contact a regional DEC office or a wildlife rehabilitator. You can find a list of licensed wildlife rehabilitators as well as more information on young wildlife on the DEC website.

Each May and June, Motorists Should be on the Alert for Turtles Crossing the Road

Our native turtles are on the move in May and June seeking sandy areas or loose soil to lay their eggs. In New York, thousands of turtles are killed each year when they are struck by vehicles as they migrate to their nesting areas.

What you can do to help:

- If you see a turtle on the road, please give turtles ‘a brake’. Slow down to avoid hitting it with your car.
- If you can safely stop your vehicle, please consider moving it to the shoulder on the side of

the road in the direction it was facing.

- Picking the turtle up by its tail may frighten or injure it. Most turtles can be picked up by the sides of the shell.

- Use caution when moving snapping turtles; either pick her up at the rear of the shell near the tail using two hands, or slide a car mat under the turtle to drag her across the road.

- Please do not take turtles home. All native turtles are protected by law and cannot be kept without a permit. All 11 species of land turtles that are native to New York are declining. Even losing one mature female can have a negative impact on a local population.

HOROSCOPES

ARIES – MAR 21/APR 20

Aries, altruism is a noble trait, but remember to also devote some time to your own interests. There is a way to find a balance between all of your actions.

TAURUS – APR 21/MAY 21

Travel plans may be on your mind, Taurus. Weigh all of the pros and cons of traveling before purchasing your plane ticket or booking that hotel.

GEMINI – MAY 22/JUN 21

Gemini, when opportunities spring up sometime this week, you may need to grab that golden ring quickly or it is bound to pass you by in a flash. Then regrets may sink in.

CANCER – JUN 22/JUL 22

It is easy to miss the forest for the trees, Cancer. Making decisions based on one detail will not do you justice. You have to look at the bigger picture before making a decision.

LEO – JUL 23/AUG 23

Leo, after a few amendments to your plan, you will have some good options to go on. Scorpio can give a look as well and offer some advice on how to proceed this week.

VIRGO – AUG 24/SEPT 22

Virgo, if each day seems like a mental marathon, then you definitely need to find some “me” time to unwind and disconnect. Schedule time each day to devote to yourself.

LIBRA – SEPT 23/OCT 23

It may seem productive to look at the world through rose-colored glasses, Libra. However, repeatedly guarding others from anything unpleasant can be a disservice.

SCORPIO – OCT 24/NOV 22

Continue to stay on top of all the nuts and bolts of your daily life, Scorpio. You have been a champ at managing schedules and deadlines for yourself and others.

SAGITTARIUS – NOV 23/DEC 21

Health news may bring a scare, Sagittarius. If anyone can whittle down the facts and get on a solid course, it is you. You’ll get through this challenge.

CAPRICORN – DEC 22/JAN 20

Capricorn, it is time to start looking for new hobbies to pass the time, especially if you’ve been spending a lot of time at home. You could transition into a new career.

AQUARIUS – JAN 21/FEB 18

Big changes are in store for you this week, Aquarius. You could get the news that you have been waiting for. This may mean you will have to quickly rise to action.

PISCES – FEB 19/MAR 20

Pisces, while others are taking in the scenery this week, you are getting down to business. This can set you on a productive path.

The Reporter, Delaware County's leading weekly newspaper is accepting resumes for the immediate hiring of a full time and a part time general assignment reporter. A general assignment reporter will be expected to cover community news, local government and in-depth features within the county. Prior reporting experience is helpful but not necessary.

We are looking for someone who enjoys writing, has an inquisitive mind, is able to work under deadline, has good communication skills and a strong desire to share the story of Delaware County with our readers.

Interested candidates must have a working knowledge of computers, the ability to work a flexible schedule. That may include working some nights and weekends.

Reliable transportation is a must.

To apply, send resume and cover letter to editor@the-reporter.net.
